

Letters from Santa

Create a Magical Moment for the People in Your Life!

Jolly Old Saint Nick has given his elves at Gray Gourmet an extra-special assignment: we're helping him send holiday cheer to your youngsters and young-at-heart loved ones! With the information you provide, Santa will personalize letters to children, elders, students, service members, and anyone else who loves Christmas. Recipients will be amazed by his knowledge of their achievements and holiday wishes! Our elves will mail out Santa's letters the week before Christmas if forms are **received by December 8th**.

Letters are \$5 each, with proceeds to benefit Gray Gourmet Meals on Wheels program that improves the lives of seniors in Mesa County.
